

A white rocking chair with a dark brown wooden back and seat, set on a grassy lawn. The background features a calm lake and trees with autumn foliage under a warm, golden light. The chair is positioned in the foreground, slightly to the left, with its curved rockers resting on the grass. The overall scene conveys a sense of peaceful outdoor living.

# QUALITY BUILT LAWN FURNITURE

OUTDOOR LIVING AT ITS FINEST

# ADIRONDACK

Adirondack chairs are known for their comfort, thanks to their ergonomic design. The slanted seat, wide armrests, and reclined back create a relaxing seating position.

Additionally, the use of contoured seats and backrests adds to the overall comfort, providing support for extended periods of sitting. Many people appreciate the comfortable experience of lounging in an Adirondack chair, making it a popular choice for outdoor relaxation.

# The Richland Rocker

Adding a rocker to your outdoor space can enhance the overall experience of being outdoors. Whether placed on a porch, patio, or in a garden, our rocker provides a comfortable spot to enjoy nature, read a book, or engage in conversation.

**At Quality Built Lawn Furniture, we strive to offer outdoor living at its finest. Started in 1995, QBLF is a family owned business built on Christian principles. It is our continued goal to give you quality furniture that will meet all your outdoor living needs.**

- Made from recycled plastic it is ecologically friendly and on the leading edge of sustainable outdoor furniture.**
- For every 100 pounds of poly lumber used to make our furniture, 1,000 milk jugs are saved from landfills.**
- Poly outdoor furniture is weather resistant. It will withstand rain, heat, cold and direct sunlight. It is quality designed with your comfort in mind and will bring you years of satisfaction.**
- The fact that it is virtually maintenance free means it will never need painted or refinished. It won't crack, splinter, or fade and is mildew resistant. It can be lightly cleaned with soap and water or for heavier cleaning a pressure washer can be used.**
- Our poly lumber is made in the US. It is color solid the whole way through each board. We offer 22 options, from earth tones to vibrant bright colors.**
- All hardware is 316 stainless steel and will not rust.**
- Our furniture comes with a 20 year residential and 5 year commercial warranty.**
