Richland Dining Chair

Durability:

Our furniture is made from HDPE Poly weather-resistant materials ensuring they last for many years. This durability makes them perfect for outdoor settings, like patios, gardens, or by the lake.

Timeless Design:

- The straight-back design gives the Richland Collection a more streamlined and modern look while maintaining its traditional charm. It blends well with both rustic and contemporary settings.

The counter height design improves visibility and creates a more social atmosphere. Sitting slightly higher gives you a better view over railings and tables, making it perfect for outdoor bars, fire tables, or serving counters. It naturally encourages conversation and keeps everyone at eye level, creating a welcoming and connected seating experience.

At Quality Built Lawn Furniture, we strive to offer outdoor living at its finest. Started in 1995, QBLF is a family owned business built on Christian principles. It is our continued goal to give you quality furniture that will meet all your outdoor living needs.

- Made from recycled plastic it is ecologically friendly and on the leading edge of sustainable outdoor furniture.**
- For every 100 pounds of poly lumber used to make our furniture, 1,000 milk jugs are saved from landfills.**
- Poly outdoor furniture is weather resistant. It will withstand rain, heat, cold and direct sunlight. It is quality designed with your comfort in mind and will bring you years of satisfaction.**
- The fact that it is virtually maintenance free means it will never need painted or refinished. It won't crack, splinter, or fade and is mildew resistant. It can be lightly cleaned with soap and water or for heavier cleaning a pressure washer can be used.**
- Our poly lumber is made in the US. It is color solid the whole way through each board. We offer 22 options, from earth tones to vibrant bright colors.**
- All hardware is 316 stainless steel and will not rust.**
- Our furniture comes with a 20 year residential and 5 year commercial warranty.**
